

Technical drawing of the SECADORA ED-660 G machine. The machine is represented by a rectangle with the text "SECADORA ED-660 G" inside. Dimensions are indicated by red lines and text: a width of 1,343 and a height of 1,002. On the right side, the text "Altura: 1,828m" is written. Connection points are marked with colored dots: a black dot labeled "E", a green dot labeled "EV", and a red dot labeled "G". A dimension of 0,500 is shown for the distance from the left edge to the "E" point.
